A global classroom
where language
becomes *ministry*

Streams of Light International (SOLI) brings hope and healing to the world through comprehensive evangelism.

We train and mobilize lay members to reach every home, especially in the large cities, with the everlasting gospel as revealed in the three angels' messages. Through the Streams of Light Training Institute (SOLTI), a generation of laborers is being prepared to serve as self-supporting missionaries who will help evangelize the great cities of North America and Europe.
