

# Manual training is deserving of far more attention than it has received.

Schools should be established that, in addition to the highest mental and moral culture, shall provide the best possible facilities for physical development and industrial training. Instruction should be given in agriculture, manufactures,—covering as many as possible of the most useful trades.

STREAMS OF LIGHT  
TRAINING INSTITUTE

**Streams of Light International (SOLI) brings hope and healing to the world through comprehensive evangelism.**

We train and mobilize lay members to reach every home, especially in the large cities, with the everlasting gospel as revealed in the three angels' messages. Through the Streams of Light Training Institute (SOLTI), a generation of laborers is being prepared to serve as self-supporting missionaries who will help evangelize the great cities of North America and Europe.
