

Manual training is deserving of far more attention than it has received.

Schools should be established that, in addition to the highest mental and moral culture, shall provide the best possible facilities for physical development and industrial training. Instruction should be given in agriculture, manufactures,—covering as many as possible of the most useful trades.

STREAMS OF LIGHT
TRAINING INSTITUTE

Streams of Light International (SOLI) brings hope and healing to the world through comprehensive evangelism.

We train and mobilize lay members to reach every home, especially in the large cities, with the everlasting gospel as revealed in the three angels' messages. Through the Streams of Light Training Institute (SOLTI), a generation of laborers is being prepared to serve as self-supporting missionaries who will help evangelize the great cities of North America and Europe.

Learn a Trade Through SOLTI

If you feel called to serve God in a practical, life-changing way, the trades can become your mission field.

Our new trades training program equips young missionaries with real skills—construction, electrical work, HVAC, and more—so you can support yourself while sharing the gospel wherever God sends you. Learn a trade and build a life of mission.

If you are hands-on, tech-oriented, and want to witness while working as self-supporting missionary, this program is for you!
